- HEALTH HAZARD DATA SECTION VI *------

Route(s) of Entry - Inhalation: X Eyes: X Skin: X Ingestion: X
Signs and Symptoms of Exposure: Excessive inhalation may cause nasal and respiratory irritation, including dizziness, nausea and headaches. Prolonged or repeated skin contact may defat the skin and cause dermatitis. Eye irritant. Ingestion: If ingested do not induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration of liquid into the lungs.

Medical Conditions Generally Aggravated by Exposure: Preexisting skin or eye disorders may be aggravated by

exposure to this product.

Emergency and First Aid Procedures:

Lye Contact: Flush eyes with plenty of water for 15 minutes while holding eyelids open. Get medical attention if irritation persists. Skin Contact: Remove contaminated clothing. Flush skin with water, follow by washing with soap and water. If irritation occurs, get medical attention. Do not reuse clothing until cleaned. Inhalation: Remove victim to fresh air and provide oxygen if breathing is difficult. Give artificial respiration if not breathing. Get medical attention. Ingestion: Get medical attention.

--*-*-*-*-*-*-*-*-*-*-*-* SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE *-*-*-*-*-*-*-*-*-*

Releases or Spilled:

and place into a designated disposal container. Consult local regulatory agency for proper disposition of material.

Waste Disposal Method:

On not puncture or incinerate containers. When contents are depleted continue to depress button until all gas is expelled. Dispose of container in accordance with local, state, and federal Soak up spill with an inert absorbent

ventilation. Do not puncture or incinerate containers. Do not expose to direct sunlight or store at temperatures above 130F (54C). Store as Level 3 Aerosol (NFPA 30B). Other Precautions: Please read and follow the directions on the product label: they are your best guide to using this product in the most effective way, and give the necessary safety precautions to protect your health.

to

SECTION VIII - EMPLOYEE PROTECTION *-*-*-*-*-*-*-*-*-

--*-*-*-*-*-*-*-*-*-*-*-*-*-*-

Respiratory Protection (Type): None required if good ventilation is maintained. If exposure exceeds occupational exposure limits (Sec. II), use a NIOSH approved respirator to prevent overexposure.

Ventilation: Local exhaust is adequate under normal conditions, mechanical ventilation is optional.

Protective Gloves: Chemical resistant gloves*.

Eye Protection: Chemical safety glasses are recommended*.

Other Protective Clothing or Equipment: Wear impervious clothing to prevent skin contact.

Work/Hygienic Practices: Ensure strict sanitary conditions are conformed to when working around chemicals.

Protective clothing and equipment should be in accordance with 29 CFR 1910.132 and CFR 1910.133.

Ingredients of this product are listed on the EPA/TSCA Inventory of Chemical Substances
